

UNC CHARLOTTE

Mandatory Health Insurance Requirement

Students are automatically charged \$344 for the Student Health Insurance Plan when they register for the semester and must provide proof of insurance in order to waive the cost.

The following students are required to have health insurance:

- Undergraduate students enrolled in six or more credit hours
- Graduate students in a degree-seeking program with one or more credit hours
- International students

How to complete your insurance waiver:

1. Go to www.studenthealth.uncc.edu and complete the waiver form. You will be required to supply your health insurance information for verification. Make sure you print and keep your confirmation number.
2. After classes begin, you will be notified via email (@uncc.edu) if your proof of health insurance has not been received.
3. Check your student account. If the \$344 charge for insurance has not been credited within 10 business days after receiving your online verification, then contact the Student Insurance Office at the Student Health Center.
4. Waivers submitted during the fall semester are also valid for the spring semester. If you need to cancel your waiver and enroll into the Student Health Insurance Plan, please contact the Student Insurance Office.
5. Waivers are only valid for the current academic year and will need to be updated each fall semester.

If you do not have major medical insurance, the university has health insurance which you can purchase to meet this requirement.

To enroll go to www.studenthealth.uncc.edu

1. Fall insurance coverage is effective 08/10/09 to 01/06/10. In order to continue coverage, you must be registered for the spring semester and reactivate your policy online. Spring coverage is from 01/07/10 to 08/09/10 for an additional \$344.
2. You are strongly encouraged to read the information about the insurance plan. It details coverage, benefits, policy exclusions, out of pocket costs and pre-existing conditions. The official benefit brochure is available at the Student Health Center or at www.studentinsurance.com

Students are required to submit proof of health insurance for each fall semester they attend.
