How to Transfer a Prescription to the Student Health Center Pharmacy

Call the Student Health Center Pharmacy At 704-687-7359

Give your (the Patient's) Student ID Number, First and Last Name, Date of Birth, and Phone Number

Give the name of the Pharmacy where the prescription is located, the name of the medication being transferred, and the Pharmacy's phone number

*Upon semester breaks or graduation, students may have their prescriptions transferred to a local pharmacy of their choosing by giving our phone number (704-687-7359) and the name of the medication needing transfer.
